## **Nightly Lane Closures on the Bishop Ford Freeway from Interstate 57 to Martin Luther King Drive**

**CHICAGO** – The Illinois Department of Transportation (IDOT) that nightly lane closures will take place in both directions on the Bishop Ford Freeway (Interstate 94) between Interstate 57 and Martin Luther King Drive, in Chicago, beginning, weather permitting, Tuesday, September 6. The closures are necessary for a resurfacing project.

In order to complete the work, temporary, nightly lane closures will take place on eastbound and westbound Interstate 94 from Interstate 57 to Martin Luther King Drive.

The project is expected to be complete in Fall 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
